

If the Nonresident alien filing status is not showing up. Go to settings, then Transaction History. You may have to click settings, then Transaction History twice. Go to the section that says deactivate tax return. In the drop down box select Chose Wrong Package. Then click Clear Your Return and Restart. Then when you get back to the filing status screen Nonresident alien should be an option.

Transaction History

Account Charges [hide](#)

All fees are for the preparation and filing of your return. This includes Printing, Mailing or e-filing, and sales tax (where applicable).

Seller has collected the simplified sellers use tax on taxable transactions delivered into Alabama and the tax will be remitted on the customer's behalf to the Alabama Department of Revenue. Seller's program account number is SSU-R010261419.
